**DEMOCRATIC LIEUTENANT GOVERNORS ON SUPREME
COURT'S RULING TO PROTECT WOMEN'S RIGHTS**

WASHINGTON — The Democratic Lieutenant Governors Association applauds today's Supreme Court decision to protect women's reproductive freedom and access to healthcare.

"Today's Supreme Court decision rightfully reaffirms that access to reproductive health and abortion is a protected right. Period.

But our fight is not over, we still have more work to do as conservatives continue their attempts to politicize and roll back access to essential health care services. We must continue to amplify our voices on the right side of history and ensure we're heard this November to support leaders who champion true, inclusive equality once and for all," stated DLGA Chair and New York Lt. Governor Kathy Hochul.

The DLGA is an independent voluntary political organization that provides resources and policy assistance to candidates in their campaigns for Lieutenant Governor. The DLGA is proud to support current Democratic Lieutenant Governors in 22 states and 2 U.S. territories.
